BACKGROUND & FUN FACTS

BACKGROUND I grew up on a game farm and absolutely loved every second of it. As I grew older, I was extremely intrigued with any form of technology. I was always considered as a "happy go lucky" boy and I gave my best at everything I set my mind to. I got accepted into The University Of Pretoria to study Agriculture after school. One day on the way back home from school, I told my mother that if only I could sit behind a computer for the rest of my life, I will be a happy man. Consequently I applied to study BsC IT and here I am today, loving every single moment of the Technological world.

FUN FACTS I Produced music for about 2 years (self taught).
I Traveled to multiple countries.
I have a YouTube and TikTok channel for gaming.
I listen to music as often as possible.
I Absolutely love KFC.
I Grew up on a game farm and adore the outdoors.
